[Visit Website](#)

In the Merchandise Mart, the 19th annual One of a Kind Holiday show will feature 600 artists selling fiber art, ceramics, sculptures, photography, wood carvings, glasswork, and furniture. As one of the largest pop-ups, it could be overwhelming to tackle without knowing exactly what you want to find. But keep in mind, [the market is broken up into districts](#)—fashion designers, fine art, emerging crafters, and so on. Open from December 5 to 8.
