NEW ARTISTS AND MAKERS JOINING THE 2nd ANNUAL ONE OF A KIND SPRING SHOW
Featuring new and up-and-coming exhibitors April 28-30 at The Mart

CHICAGO – March 8, 2017 – The second annual One of a Kind Spring Show is bringing a wave of fresh, new talent to The Mart. From April 28-30, attendees will enjoy a unique, Spring-oriented shopping experience, alongside 300 talented artists and makers.

More than half of the artists at this year's Spring Show are first time exhibitors to the One of a Kind Show and 30 of these will be featured as a part of the show's Emerging Market. The Emerging Market is a showcase of burgeoning artists—those with less than 3 years of full time experience. "It is our great pleasure to provide a platform for these emerging artists," said Aida Sarvan, Marketing Director of One of a Kind Show. "We are thrilled that there has been such great interest from a unique group of new and emerging artists to participate in the Spring show."

A variety of media and categories will be showcased by these new artists including fashion, jewelry, artwork, home goods and accessories, gourmet foods, and bath/body, giving shoppers a wide range of options and a one-of a-kind experience.

A snapshot of some of the new and emerging artists can be found below. More information about these artists can be found [here](#).

The One of a Kind Spring Show takes place at The Mart, 222 Merchandise Mart Plaza, 7th Floor, April 28-30. For tickets or more information, visit www.oneofakindshowchicago.com.
