CHICAGO'S BEST INDIE HOLIDAY MARKETS

This is the year.

You're going to be the talk of your Secret Santa circle by finding *the* gift. A gift that's perfect for your friend/family member/SO. It'll be unique and thoughtful and charming. And let's be real: You're not going to find that gift at Target. (No offense, Target!)

Chicago is alive with dozens of local handmade markets ready to do the stocking stuffing for you during the holiday season. Do312 rounded up the best.
